The hidden gem of Bonita, [Romesco Mexiterranean Bistro](#) will now be serving breakfast!

Over the years, Romesco has served traditional Mexican and Mediterranean cooking based on authentic family recipes to legions of fans in San Diego. Beginning this Sunday, May 8, customers can now enjoy breakfast Saturdays and Sundays from 8:00 a.m. to noon.

The new breakfast menu includes traditional Mexican dishes with Romesco's Mediterranean twist. Plates range from huevos and omelettes, to chilaquiles and antojitos to traditional buttermilk pancakes and oatmeal. Menu highlights include the Huevos Norteños, two scrambled eggs with house made beef machaca with heaping sides of refried chorizo beans, potatoes and fresh corn tortillas. A Mexican classic, Chilaquiles al Mole covered with mole poblano and drizzled with cotija cheese, cream and sesame seeds.

If you're feeling adventurous or need to get rid of the blues, order the Menudo. A warm bowl of beef tripe stew with corn and topped with cilantro, onion, oregano and radishes. Add a hint of lime for that extra touch of flavor. Romesco will quickly become your new favorite breakfast spot.

Start your weekends off right and head to Romesco for a hearty breakfast. Breakfast is the most important meal of the day, so make it the best one at Romesco.
